Sir:

**RESPONSE TO PETITION UNDER 37 C.F.R. §1.47(a) AND SUPPLEMENTAL
RESPONSE TO NOTICE TO FILE
MISSING PARTS OF APPLICATION**

In response to the communication of January 7, 2002, the period for response being extended to April 7, 2002, Applicants submit an executed Declaration/Power of Attorney for each of the inventors who failed to respond to attempts to obtain an executed Declaration/Power of Attorney (Edwin Khodabachian and Albert Tam), the required fee of \$130.00 (for the Notice to File Missing Parts), a copy of the Notice of Missing Parts, a copy of the Declaration/Power of Attorney executed by Michael Sijacic and Michal Chmielewski, and a petition for a one-month extension of time.

On May 31, 2001, Applicants filed the above-identified application naming Michael Sijacic, Michal Chmielewski, Edwin Khodabachian, and Albert Tam as joint inventors. Because Applicants could not obtain an executed declaration from Edwin Khodabachian and Albert Tam, the application was filed without a declaration as required by 37 C.F.R. §1.53. Accordingly, the Office of Initial Patent Examiner (OIPE) issued a notice to file missing parts on July 30, 2001.

The undersigned performed a diligent effort to obtain an executed declaration from Edwin Khodabachian and Albert Tam but was unsuccessful due to the non-responsiveness of these two inventors. Accordingly, Applicants filed a petition under 37 C.F.R. 1.47(a) for inventors Michael Sijacic and Michal Chmielewski to make the above-identified application on behalf of Edwin Khodabachian and Albert Tam. The Office of Petitions dismissed the petition because the citizenship or country of Edwin Khodabachian and Albert Tam were not included in the declaration executed by Michael Sijacic and Michal Chmielewski.

In response to the dismissal, the undersigned again attempted to contact Edwin Khodabachian and Albert Tam using the same contact information used during previous contact efforts. Following several electronic communications, Albert Tam, and eventually Edwin Khodabachian, responded to the renewed request to execute a declaration. Accordingly, the undersigned has now obtained executed declarations from both Edwin Khodabachian and Albert Tam.

Applicants submit that the submitted Declaration/Power of Attorney documents for the above listed inventors each meet the requirements of 37 C.F.R. § 1.63.

Please associate the enclosed declarations with the application, grant any additional extensions of time required to enter this response, and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
